2. Players that win a jackpot prize are required to complete a winner's declaration form that will be provided to the player by Hollywoodbets. Failure to complete this form will prevent the jackpot from being paid by the Third Party Games Provider.
3. The player acknowledges that any failure on their part to assist with the collection of information listed in 2.1 and 2.2 above will delay payout of the jackpot. If information is not completed truthfully and accurately this could result in the jackpot payout being voided altogether.
4. Lucky number jackpot and Lottery bets are closed 30 minutes prior to the official draw time of the underlying lottery. If any technical glitch or error permits betting after this time, Hollywoodbets reserves the right to cancel such bets as late bets and will refund the stake amount to players.
5. Hollywoodbets relies on internet connectivity and third party technologies to provide lucky numbers jackpots and lottery products. In the event that internet connectivity, software malfunction, malicious damage to software by employees or third parties or any other technical glitch occurs that prevents the bets from being transmitted to the third party, Hollywoodbets reserves the rights to cancel all such bets without prior notice to players. In the event of cancellation stake amounts will be returned to players.
6. If a particular lottery draw is cancelled, bets received will be applied to the next draw of the same lottery regardless of when this draw is scheduled to take place. For the avoidance of any doubt stakes will not be returned for any lotteries that are cancelled, instead stakes will be applied to the next available draw.

Lucky Numbers Jackpot & Lottery Jackpots

7. Winnings by all players are subject to a maximum limit of R125 million, irrespective of whether the players bet slip reflects a higher winning rand value amount. For clarity, if more than one player selects the same winning combinations of a jackpot, or if limits are hit across several draws totalling in excess of R125 million, then the limit of R125 million will be shared by the winning players.
 8. Any lucky numbers or lottery jackpot payouts are subject to third party audits by the provider of the games. The Provider of the game has the right to reject the payout based on the investigation. Hollywoodbets will not be held liable if a Jackpot payout is rejected due to the player failing such an audit.
 9. In the event of a Jackpot win, Hollywoodbets relies on the third-party supplier of the game to pay-out winning jackpots, which can take between 5 – 15 working days.
 10. By playing this game the player understands and accepts that since Hollywoodbets relies on third parties to pay-out winning jackpots, that Hollywoodbets cannot pay out winnings until such time as it has been paid by the third party (paid as paid).
- 1.12 The player accepts that lucky numbers jackpots payouts are subject to enhanced player identification verification processes, by the third party provider of the game.
